**SAMPLE PHONE CALL SCRIPT:**

“Hi, I’m a Ward \_\_\_ resident calling to ask Councilmember \_\_\_\_\_ to support the ‘Fossil Fuel Divestment Act of 2013.’ Considering DC’s plan to be the greenest city in the nation, we should recognize that if it’s wrong to wreck the climate it’s wrong to invest in companies whose business plans do just that. For the health and safety of DC residents, and for the sake of the District’s fiduciary responsibility, will Councilmember \_\_\_\_\_ vote yes on this crucial bill?”
